

Shooting for All

Target Rifle Australia Limited

Statement of Commitment

Target Rifle Australia Limited (TRA) aims to provide participation and competition opportunities for people of all ages and abilities within the disciplines administered by TRA. TRA aims to redress barriers to participation for people with a disability and create transparent pathways for their participation and progression through the sport.

Statement of Commitment Schedule

- To provide people with disabilities equal access to services and facilities.
- Provide opportunities for people with disabilities to be involved and participate in Rifle Shooting.
- Make available to people with disabilities a variety of options, from recreational to competitive, and from local to international standards.
- Improve teaching, coaching and preparation of athletes with a disability.
- Develop a network and structure, which will provide people with disabilities a sound direction to participate, compete and achieve.
- Promote Rifle Shooting for people with a disability to increase the profile and community awareness.
- Increase the number of participants in Rifle Shooting.
- Encourage all clubs and associations to undertake or to be involved in programs for members with disabilities.
- Ensure participants with disabilities are valued for their ability and skill level rather than their disability.
