

TARGET RIFLE AUSTRALIA Ltd

**PRONE
METALLIC SILHOUETTE
RULES**

STANDARD INSTRUCTIONS

TO BE ANNOUNCED BY RANGE OFFICERS AT EVERY SHOOT

Shooters will be called to the firing point

“All bolts are to be open with a Safety Flag inserted in the breech, butts on the ground, no ammunition or magazines are to be placed in your rifle until the START command is given. The action or breech must not be closed until the rifle is pointing down range in a safe direction.

At the commencement of each 10 shot string, shooters may stand, sit or kneel in their respective bays with rifle butts on the ground or rifles laid flat, but may not settle in until given the order to do so.

At the end of the first five (5) shots of the 10 shot string. Shooters may stand, keel, sit or remain prone and get ready for their next five (5) shots.

When shooters have finished each of their ten shot strings, they are to remain in their bays until the STOP command is given and their rifle has been checked, Safety Flag inserted in the breech and cleared by a range officer. This procedure is to be followed when changing positions during a detail and when leaving the mound.

Scorers DO NOT move onto the shooting bays until the STOP command is given.

Scorers DO NOT stand up the silhouettes until given the order to do so.

All malfunctions and any other irregularities are to be reported to the Range Officer immediately they occur.

Shooters you will have a four (4) minute time limit for each five (5) shot string, time calls will be “One Minute to go”, “Thirty Seconds to go” and a countdown of the last ten seconds.

* “Settle in please shooters” (give shooters time to settle in).

“Shooters this is your first/second....forty shot string.”

“Is there any shooter not ready?” (Wait a few seconds to ensure all shooters are ready)

“Shooters you may START.

At the end of each four (4) minutes, or earlier if all shooters are finished –

STOP – OPEN BOLTS – REMOVE MAGAZINES FROM YOUR RIFLE AND INSERT SAFETY FLAG.

“Shooters confirm your scores with your scorer and move to your next position – or – get ready for your Next five (5) shots.”

“Scorers please stand the silhouettes.”

* For each following five (5) shot string - repeat from * Settle inetc

PRONE METALLIC SILHOUETTE” RULES

Rule 1.

- (a) Safety must be the first priority on all ranges at all times.
- (b) The silhouette range officer’s instructions are to be obeyed explicitly at all times
- (c) All shooters are urged to wear eye and ear protection.
- (d) Danger flags must be flown when the range is in use.
- (e) For the purpose of safety, an open bolt is a bolt which is fully open and back with a Safety Flag inserted in the breech

Rule 2.

All persons who are eligible by law may shoot.

Rule 3.

Equipment, Specifications and Limitations.

Any (rifle, devices, equipment, accessories etc) which may give an individual advantage over others and which are not mentioned in these rules and regulations are prohibited. The jury shall have the right, at any time, to examine a shooter’s equipment and apparel. The responsibility shall be upon the competitor to submit questionable equipment and apparel for official inspection and approval in sufficient time prior to the beginning of a match so that it will not inconvenience other competitors or officials.

Rule 4.

- (a) **Rifles**
Silhouette rifles. Maximum specifications come within factory produced sporting rifles, single shot or repeater, which fire a .22 rim-fire bullet. All tubular magazine, self-loading, automatic, target or modified target rifles are prohibited. The same rifle must be used for the duration of a competition, unless it is proved defective.
- (b) **Weight.**
4.5 Kilos include sling and all accessories.
- (c) **Barrels**
Factory produced with a maximum diameter of 33mm at the breech and 19mm at the muzzle. Front and rear sights may be removed from the barrel. Barrels may be replaced with one of similar material (including stainless steel) and specifications.
- (d) **Actions.**
Factory produced with original trigger. Lightening or modifications of triggers is to be allowed. Trigger shoe may be fitted. Triggers safe (action must be closed at normal rate without discharging.)
- (e) **Stock.**
The angle of the pistol grip to be no more than 70 degrees to the line of the bore. Factory produced. No thumb-hole stock to be allowed. Modification to stock, lengthening or shortening to be allowed by not more than 75mm from the original factory specifications. Bedding is allowed. Swivels, 40mm single or double point allowed.
- (f) **Slings.**

Slings are permitted. To be worn above the elbow of one arm. Manufactured of leather or similar materials of straight, non-shaped arm band construction, single or double point. Maximum width 40mm. Both points must be mounted forward of the trigger guard for a two point sling. A sleeve on the sling be allowed of soft flexible material no more than 5mm in thickness and no longer than 125mm to cover the swivel of the sling.

(g) Sights.

Open, aperture, or telescopic sights with a power not greater than 6.5X may be used. Variable scopes over 6.5X power may be used providing the variable adjustment can be taped at 6.5X. Taping method to be the responsibility of the host club. Seals should be in the form of a label or similar, and placed in such a manner to show the integrity of the seal. Blinders are permitted but not attached to the rifle or its accessories. Corrective lenses may not be fitted to the rifle or telescope.

(h) Ammunition.

To be factory produced standard velocity .22 calibre rim-fire bullets.

Rule 5. Clothing.

Any normal clothing may be worn including cloth, denim jackets or coats. All leather or vinyl jackets or coats of any kind are totally prohibited. Any type of hat or cap may be worn. Gloves of any kind are prohibited. If the elbows of a coat are wearing out, the person is allowed to repair them with a piece of self material no more than 150mm long. Anything fitted to the clothing to locate a sling is not permitted. The jury of the day will determine the maximum amount of clothing a shooter may wear at that shoot if:

- (a) A protest is submitted.
- (b) At the request of the organising club.
- (c) A meeting is convened by the jury.

Rule 6. Shooting Mats.

The shooter is allowed to use mats of a combined maximum thickness of 50mm when uncompressed and each mat must be laid flat of single thickness. A maximum thickness not to exceed 50mm, maximum width not to exceed 1.25metres, maximum length not to exceed two (2) metres.

Rule 7. Position Prone / Handicapped.

- (a) No rest is allowed for the rifle or forearms. Forearms must be visibly clear of the surface being shot from. Physically handicapped persons may be assisted at the jury's discretion.
- (b) A shooter in the prone position can place their leg in an adjacent bay providing they do not disturb the shooter in that bay.
- (c) A silhouette shooting aid for the disabled must be easily transportable with maximum table size of 700mm x 700mm, with a flat surface covered with regulation matting.

Rule 8. Coaching.

Coaching or spotting is not allowed during the competition.

Rule 9. Wind Flags.

Wind Flags are prohibited.

Rule 10. Shots.

May be loaded singly or by magazine when the order is given by the silhouette range officer. At all times other than this, bolts must remain open with magazines and ammunition removed

Rule 11. Course of Fire.

The standard course of fire will be forty (40) shot strings. Each shooter will fire ten (10) shots at each range followed by alternate detail of shooters who likewise will fire ten (10) shots at each range. Each shooter's course of fire will start from their drawn position.

Rule 12. Order of Shooting the Silhouettes.

- (a) The set of silhouettes must be shot from left to right and must be shot in the correct order.
- (b) If a competitor, on their first shot, hits a target other than the first of the set, they must continue to shoot the remaining targets in correct sequence leaving the targets on the left un-shot, these will be recorded as a miss.
- (c) If a shooter misses a target, they must not fire at that silhouette again. If they do so, the second shot will also be recorded as a miss.
- (d) If a shooter shoots another shooter's target, the other shooter will claim the strike, providing that this shooter has not fired at that target previously. The recipient must notify the range officer immediately they observe the cross fire on their target and produce their un fired round. Both shooters must then continue to shoot at their next correct target.
- (e) If a shooter should shoot the incorrect target, it will be recorded as a miss. i.e. if the cross fire hits the other shooters target, they must not fire at their own missed target, but must shoot at the next target in the correct sequence.
- (f) When the shot leaves the end of the barrel, it is classed as a shot.
- (g) In the event of a target being accidentally spun sideways, it should be left and straightened after the four minute detail. The silhouette range officer is to be notified at the time of happening and a time limit of one (1) minute per shot be allowed.
- (h) Targets to be painted white.
- (i) Definition of a strike. Targets must be laid flat or knocked off their platform.

Rule 13. Scorers.

Scores must be behind the shooters and record every shot fired in the correct order. Scorers are not permitted to speak to the shooter during the event. After the Stop command has been given, the score is to be confirmed by the shooter prior to leave the mound.

Rule 14. Target Specifications – either self-standing or free standing.

- (a) The QTS Inc. master copy of target sizes and base specifications is held by management. Target for Chickens to be 10mm plate. Pigs, Turkeys and Rams to be

Rule 16. Sighting in Time.

A sighting in time of a minimum of 1 hour must be allowed in the program before the competition commences and to be under the control of a qualified silhouette range officer. Each shooter is allowed two (2) 10 minute sighting in periods. No further sighting in is allowed after the commencement of the competition.

Rule 17. Grading.

A shooter may be upgraded at any time either by nominating in a higher grade or by shooting the minimum qualifying score for a higher grade three (3) times in the last 5 X 40 scores. Shooters can only be down-graded at regarding times which are at the 30th of June and the 30th of December each year. This is calculated by taking an average of the best three (3) scores out of the last 5 X 40 scores. As at the 1st of January of each year, all clubs must forward to the grading officer, the last 5 X 40 club scores of each "ungraded" shooter in their club.

(a) New shooters at championship shoots who cannot produce their best two (2) out of three (3) silhouette scores in writing, witnessed by a club official, will automatically be graded in "A" grade until regrading.

'A' Grade 38.5 & above

'B' Grade 35 & under 38.5

'C' Grade 31 & under 35

'D' Grade under 31

Rule 18. Disputes.

- (a) All protest and disputes over rules and equipment to be adjudicated on by a jury of five (5) qualified silhouette jurors with at least one (1) of the jurors being from the silhouette technical committee.
- (b) Protest. Shooters will have 15 minutes after final results and placings are posted in which to protest. The posting time should be listed on the result sheet.
- (c) Penalties. The range officer must advise a shooter if they are infringing on rules or safety.
- (d) Disqualification is the only penalty. Only a silhouette jury can disqualify a shooter.

Rule 19. All championship, prize and shield shoots must be under the control of a silhouette range officer who has passed a current silhouette range officers course as set by the silhouette technical committee.

Rule 20. All silhouette jurors and silhouette range officers must hold current silhouette licences.

Rule 21. Silhouette range officers and silhouette juror's licences are current for a maximum of five (5) years.

Rule 22. Existing rules to stand as they are for the term of five (5) years as at the 1st January. In special situations, rules may also be added if not covered by existing rules.

Rule 23. Silhouette Range Officers and Jurors must be 18 years old or over.
