

## 2021 AUSTRALIAN MASTERS GAMES

### KEY MESSAGES FOR PARTICIPANTS

**Note:** All proactive communication to Games participants should first be approved by the 2021 AMG.

- The Masters community is absolutely looking forward to getting active and social with us in Perth this October.
- We understand that we are planning a national event in uncertain times, however the registrations received to date confirm that there is an overarching desire for the 2021 AMG to proceed and it is still our intention to deliver the Games this October with as many states and territories in attendance as possible.
- We remain hopeful that Games participants from all states and territories will be able to join us for Play Time in Perth this October.
- Planning for the Games is full steam ahead and we look forward to delivering a great Games in Perth this October.
- We want to assure you that we are keeping the health and safety of our participants at the forefront of our considerations and planning, and that planning for the event will be in line with advice from the Chief Health Officer and the WA Department of Health.
- We know we are living in uncertain times and as such, the 2021 AMG Cancellation and Refund Policy was developed to take the risk out of registering. The policy can be found [here](#) and FAQs [here](#).
- To give participants more confidence in booking travel for this year's Games, our travel partner, All Sports Travel have extended their offer, only requiring a \$150 deposit at the time of booking, per group member, to secure flights and accommodation, with the balance of payment not due until **30 days** prior to departure. To get in touch with All Sports Travel for a quote click [here](#).
- Up to date information on WA's controlled border arrangements can be found [here](#).
- We encourage Games participants to stay up to date with Games planning and announcements by signing up to the 2021 AMG e-newsletter [here](#).
