Range Directions:

Access into our Whiteman Park Range next year may be challenging due to major rail and roadworks in the vicinity. Changes will be ongoing until well after our National Championships. A Google Map search for "WASRA" should provide reliable directions out to the Tonkin Highway and Hepburn Avenue interchange. There are many good routes to drive from anywhere in Perth to get to this interchange and then its last 5km along Beechboro Rd then into Hennessey Rd and along Jules Steiner Memorial Drive at 40km/hr. The back page enlargement shows more detailed directions of that last 5km into our Smallbore Range.

DO NOT USE any access into our range off Drumpellier Drive (east) side of Whiteman Park.

If any unexpected road changes happen then WASRA will make every endeavour closer to the Nationals to communicate any new or changed details.
